## Living Story: Learning, Living, and Loving in God's Story of Grace

Do you know the story of grace God is writing in you? Learn how you were created and see where your story was broken. Spend time pondering the false gods you've used to make life work. Discover how rescue and redemption have operated in your story. As you do so, you will be freed to live and love with purpose and passion in God's story of grace.

## A Woman's Story: The Gospel Call to Women

Deep questions cry out from a woman's heart. What does it mean to belong to Christ? Will he meet us in our loneliness? Will he help us with our struggles with sin? What do we do with our broken stories? Does a woman have a place in the kingdom of God? Spend time hearing Bible stories of real women like you. Understand how the gospel meets you in your brokenness and transforms you into a woman of deep hope and great courage to live and love in God's kingdom.

## A M.O.M.'s Story: The Amazing Mission of Motherhood

Motherhood has many seasons, and with each comes challenges and stresses. Unanswered questions abound, and we want certainty. Elizabeth Turnage, gospel-dependent mother of four, ages 16-22, invites you to consider how God's story of grace is being written in your children's lives AND your lives through trials and triumphs. Even in uncertainty, you can thrive as a mother when you live with MORE HOPE in God's story of grace. Live freely and love passionately in the amazing mission of motherhood!

## The Mysterious Story of Marriage

According to the Apostle Paul, marriage is a mystery, hard to understand and harder to live out. Whether you've been married for 5 months, 5 years, 25 years, or 50 years, you probably still have some significant questions about how to live and love in this mysterious story of marriage. You will experience new hope, deep healing, and healthy humor as you recognize the story God is writing in your marriage. When taught to men and women, this conference is team-led by Elizabeth and her husband or another seasoned husband.
